From the Dy Comrs letter forwarded by the I. Some explanation is necessary as to why he did not report himself for duty ~~till the~~ in the Police Deptt till the 10th August 1878. He was not entitled to any joining time (Vide art 117 of the Ins R). The only inference that can be drawn is that either he should have ~~absented~~ obtained leave or absented himself without leave. In both the cases, no condonation is req, as the former is no "interruption" (art: 273 (a)) and the latter can be commuted into leave without all[ce] under art: 274 of the Ins R. If the latter be taken to be the case, then arises the question whether the case deserves the exercise by Govt of the prerogative under art: 274 of the Ins R. The Sergeant has been reduced thrice during the Service.

General and Revenue Departments.

Sir,

I have the honor to forward herewith the Pension roll in behalf of Yerrappah late 1st class Sergeant of the Bangalore City Police together with enclosures.

The year of birth of the Sergeant as entered in the annual Schedule of Establishment is 1855, but from Memo No. 1020 dated 13th May 1904 (herein enclosed) from

from the Deputy Commissioner of the Bangalore District, the correct year of birth would appear to be 1848. The entry in the Schedule of Establishment is therefore incorrect. I therefore request that the Comptroller may be asked to accept the latter as the correct year of birth

Further the Sergeant was without appointment for 9 days in the month of August 1878; this period may be condoned under article 275 of the Mysore Service Regulations.

I request that you will be so good as to move the Government to condone the break in service.

The pension roll may be forwarded to the Comptroller for verification.

I have the honor to be,
Sir
Your most obedient Servant,

Inspector General of Police.
